Description

Logged as user xavi here on dev.tw.o/tracker5 I can't filter by summary (text field): no text input field is shown. Some other type of filter fields work as expected (I didn't try all) but not filter by summary.

Reported April 2nd. Using Firefox 2.0.0.13 ca on GNU/Linux

Reproduced as user xavidp (admin rights) using 2.x here again on dev.tw.o/tracker5 using Firefox 3.0 ca on GNU/Linux.

Solution

It is a style problem

fixed
